

Gardiner Scholarship Program

The Gardiner Scholarship Program provides eligible students with disabilities a scholarship that can be used to purchase approved services or products in order to design a customized educational program for the student. Scholarships can also be used for specialized services such as speech or occupational therapy, instructional materials, tuition at an eligible private school, contributions to a college prepaid account and more. The program is directly administered by state-approved nonprofit Scholarship Funding Organizations (SFOs). The average scholarship amount was approximately \$10,267 per student in 2020-21.
