Required Instruction Reporting

Required Instruction Reporting Rules

There are four rules that directly pertain to implementation of the required instruction in s. 1003.42(2), F.S.

- 6A-1.094124, F.A.C., Required Instruction Reporting
- 6A-1.094121, F.A.C., Mental and Emotional Health Education
- 6A-1.094122, F.A.C., Substance Use and Abuse Health Education
- 6A-1.094123, F.A.C., Child Trafficking Prevention Education

Proposed Rule Amendment for November 10, 2020 SBOE Meeting

Purpose and Effect of Amendment

- This rule development will consider revising submission procedures for school districts to plan and document delivery of required instruction related to s. 1003.42(2), F.S., for grades K-12 students.
- The Department will have authority to notify districts of reported sections that do not meet the rule and obtain revisions.
- 6A-1.094121, 6A-1.094122 and 6A-1.094123 will be consolidated into Rule 6A-1.094124.
 - These three rules will then be repealed.

Portal

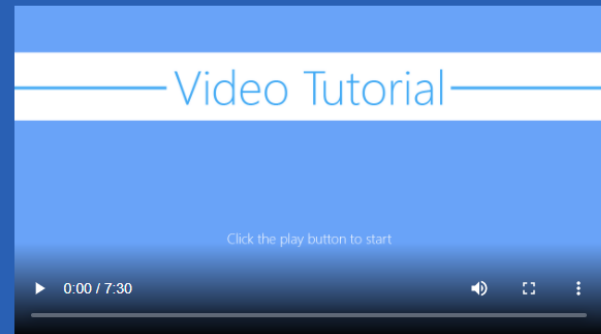

Florida Required Instruction Reporting Portal

Welcome to the Required Instruction Reporting Portal. Every day the Florida Department of Education works hand in hand with parents, teachers, educators and community members to improve Florida's education system for students of all backgrounds and abilities. This portal supports the department's work by providing districts with an intuitive data entry tool and giving stakeholders an efficient method to access related information.

The Florida Department of Education requires certain annual reporting and planning from school districts on components of section [1003.42\(2\)](#), Florida Statutes. This portal is provided as a convenience for districts to report to the department per [6A-1.094124](#), Florida Administrative Code (F.A.C.), Required Instruction Reporting; [6A-1.094121](#), F.A.C., Mental and Emotional Health Education; [6A-1.094122](#), F.A.C., Substance Use and Abuse Health Education; and [6A-1.094123](#), F.A.C., Child Trafficking Prevention Education.

Lessons from Exemplar Reports

- Lists specific standards.
- Links to specific lesson plans.
- Includes student learning objectives.
- Links to district curriculum resources.
- Reporting by grade level is very clear and specific.
- Extensive book list for the History of African Americans and Holocaust education.

Lessons from Exemplar Reports

- District utilizes licensed health professionals and health education certified staff to develop district resources for the health education topics.
- District has local requirement for health education courses for grades 6-8, and implements school-wide focus on mental and emotional health on early release Wednesdays each month.
- District created an online toolkit and a course in their learning management system for educators providing health education instruction, which included training on implementation and scripted lessons.

STEAM *Florida*
POSIUM

June 22-24, 2021
Preconference: June 21

Participants can expect:

- a content rich summer learning experience specific to STEM, STEAM and integrated content learning;
- tracks for elementary, middle grades, secondary and leadership;
- standards-based instructional resources they can immediately use in the classroom.

Sunshine State Scholars

Each of Florida's school districts selects their top 11th grade students in the areas of Science, Technology, Engineering or Mathematics (STEM). The two-day program honors each scholar for their significant academic accomplishments and celebrates the potential they represent for our communities and state.

In addition to the honor the scholars receive from the Commissioner of Education, the Chancellor of K-12 Public Schools and the Chancellor of Innovation, representatives from Florida's colleges and universities meet with the students to discuss higher education opportunities available to them in Florida. This includes workshops for college applications and informational sessions on college funding for students and their parents!
