I. MAJOR CONCEPTS/CONTENT: This program provides job-related training to students seeking employment as law enforcement volunteer personnel (SOC 33-3051) and as auxiliary law enforcement officers (SOC 33-3051). Law enforcement volunteer personnel do not have arrest powers or responsibility for care, custody, or control of inmates, are not required to take a licensure examination, and are not registered with the Florida Department of Law Enforcement (FDLE) Criminal Justice Standards and Training Commission (CJSTC). Auxiliary law enforcement officer is a position that requires entry-level certification in accordance with Chapter 11B-35, Florida Administrative Code (F.A.C.), and Chapter 943, Florida Statutes (F.S.).

Additionally, this is an instructional program that prepares individuals to provide initial care to sick or injured persons. The First Responder is the first to arrive at the scene of an injury but does not have the primary responsibility for treating and transporting the injured person(s). First Responders may include law enforcement, correctional officers, correctional probation officers, life guards, fire services or basic life support non-licensed personnel who act as part of an organized emergency medical services team. This program must be approved by the Department of Education (DOE) utilizing standards jointly developed by the Florida Department of Law Enforcement (FDLE), Florida Department of Insurance (DOI) and the Emergency Medical

Services (EMS) Bureau of the Department of Health (DOH) as specified in Section 401.435, F.S.

The content includes, but is not limited to, knowledge of codes of ethics; history and evolution of laws; introduction to the criminal justice system; statutory authority of the FDLE Criminal Justice Standards and Training Commission (CJSTC); basic law and legal procedures; law enforcement operations; investigation knowledge and skills; laws, rules, and regulations of arrest; search and seizure; knowledge of use of force; defensive tactics; physical fitness; weapons skills; controlling and restraining techniques; traffic control and direction, DUI enforcement techniques; medical first responder techniques; emergency preparedness techniques; court procedures; patrol procedures; communications skills; and human relations skills.

Reinforcement of basic skills in English, mathematics, and science appropriate for the job preparatory programs is provided through career and technical classroom instruction and applied laboratory procedures or practice. This program focuses on broad, transferable skills and stresses understanding and demonstration of the following elements of the public service industry; planning, management, finance, technical and production skills, underlying principles of technology, labor issues, community issues and health, safety and environmental issues.
